NOTE SHOW SCHEDULE CHANGE ~ NEW FOR 2009:

Order of Classes:

In an effort to prevent the show from running too many long hours, Performance and Halter Divisions for EACH SHOW this year will start at the same time and will run side by side. This may mean that exhibitors will either have to choose to show in one division or the other, or that they may need a “handler” to show in one division while they show in another. Using handlers is fine so long as all handlers and the exhibitors for whom they are showing are identified to the show holder and the entry fees for all divisions are paid. Models will still be shown under the name of the EXHIBITOR. Under this system, it will be incumbent on the EXHIBITOR ALONE to see to it that each of his or her models are in their proper show rings for their assigned classes ON TIME. There will be no excuses accepted for missed classes and no class starting time will be delayed FOR ANY REASON beyond a 5-minute call for Performance Classes or a 3-minute call for Halter classes. No entry fees will be refunded for missed classes. Please don’t bring more horses than you (and/or your

handler) can reasonably manage in the time allowed for the day's classes, Divisions, and Shows. Intermediate-qualified models may still choose to show in INTERSPORT; however such models may NOT show in BOTH shows. INTERSPORT (Open) models may only show in INTERSPORT.

Example:

8 AM, Ring #1: **Intermediaire**, Performance - "Harness"
Ring #2: **Intermediaire**, Halter - "Arabian"

8 AM, Ring #7: **INTERSPORT**, Performance - "Harness"
Ring #8: **INTERSPORT**, Halter - "Arabian"

ONCE A CLASS HAS BEEN CLOSED, NO MORE MODELS WILL BE ADMITTED TO THAT CLASS.

Due to the contracted hours scheduled for the show hall, time allowed for tack changes between all Performance classes MUST be held to a minimum and will be expected to be honored by exhibitors. Exhibitors, please LEAVE ALL MODELS ON YOUR SHOW TABLE after each class has been judged until AFTER your class has been excused by your judge.

Judges:

Judges' names (please no initials but last names are OK) should be printed on each Judge's card and turned in to the show organizer at the end of each division after the Division Champ and Reserve have been pinned.

Beforehand:

In the interest of presenting a timely show for everyone, it is expected that ALL model I.D./description cards and toe tags be completed and ready to exhibit BEFORE the start of the show. **Please be sure all of your entries are prepared and ready to show before show day.** Any necessary model-horse "grooming" should also be done beforehand. If you plan to show in both shows, please organize your show strings ahead of time to minimize delays.

Toe Tags:

Toe tags will be used for model identification. Exhibitors are responsible for furnishing their own toe tags and for insuring that their toe tags are **easily legible**. Your model's **breed and gender** go on one side of the tag. Your model's name and **YOUR FULL NAME, first and last, (NO INITIALS!)** go on the other side. **ANY TOE TAGS BEARING AN EXHIBITOR'S INITIALS WILL BE CAUSE FOR IMMEDIATE DISQUALIFICATION** of that model from that class. Toe tags should be placed with **exhibitor's name face down** on the show ring tables. Any entry's toe tag placed with exhibitor's name facing up during showing may disqualify that horse from that class, at a judge's discretion.

Callbacks:

Intermediaire Division Champions and Reserve Champions will be decided by callbacks. At each judge's discretion, callbacks will be either for just 1st place, or for 1st and 2nd place winners in each division. **Overall Grand Champions to be decided by callbacks of the Division Champions from each Division.**

INTERSPORT Division Champions and Reserve Champions will be decided by callbacks. At each judge's discretion, callbacks will be either for just 1st place, or for 1st and 2nd place winners in each division. **Overall Grand Champions to be decided by callbacks of the Division Champions from each Division.**

Other General Rules:

Exhibitor selling from your own table is permitted, as space allows.

Courtesy, please –

No running in show hall, no smoking, no pets, and turn down your cell phones. Respect your fellow exhibitors and judges by not touching or picking up anyone else's model without prior permission. Please **RESPECT YOUR JUDGES' OPINIONS**, whether or not you agree with their decisions. Kindly remember that your judges will be working very hard for all of you all day long. **At each judge's discretion**, you may ask your judges brief questions between class setups if necessary. Please keep your questions to the point and to a minimum. Remember that the judges' decisions are final. Disrespectful, discourteous, or inappropriate behavior toward your judges, your fellow exhibitors, your show holder or show committee members, or anyone associated with the Pennsylvania National Horse Show (PNHS) may result in your loss of show privileges for the remainder of the show and the forfeiture of your entry fees.
