Order of Classes:

Performance and Halter Divisions for EACH SHOW will start at the SAME TIME and will run side by side. Exhibitors must choose to show in one SHOW or the other SHOW, OR bring a “helper” to show in one show while they show in the other. Using helpers is fine so long as all helpers and the exhibitors for whom they are showing are identified to the show holder and the entry fees for all shows are paid. All models will be shown under the name of the EXHIBITOR. It will be incumbent on the EXHIBITOR ALONE to see that each of his or her models is in its proper show rings for its assigned classes **ON TIME**. There will be no excuses accepted for missed classes and no class starting time will be delayed FOR ANY REASON beyond a 5-minute call for Performance Classes or a 3-minute call for Halter classes. **No entry fees will be refunded for missed classes.** Please don’t bring more horses than you (and/or your helper) can

reasonably manage in the time allowed for the day's classes, Divisions, and Shows. Intermediate-qualified models may still choose to show in INTERSPORT; however, **NO Model may show in BOTH shows**. INTERSPORT (Open) models may only show in INTERSPORT.

Example:

8 AM, Ring #1: **Intermediaire**, Performance - "Scene Class"
Ring #2: **Intermediaire**, Halter - "Arabian"

8 AM, Ring #6: **INTERSPORT**, Performance - "Scene Class"
Ring #7: **INTERSPORT**, Halter, OF "Arabian"
Ring #8: **INTERSPORT**, Halter, OF China "Light Breeds"

ONCE A CLASS HAS BEEN CLOSED, NO MORE MODELS WILL BE ADMITTED TO THAT CLASS.

Beforehand:

ALL I.D./description cards and toe tags should be completed and models made ready to exhibit BEFORE the start of the show. Please be sure all of your entries are prepared and ready to show before show day. Any necessary model-horse "grooming" should be done beforehand. If you plan to show in both shows, please organize your show strings ahead of time to minimize delays.

Toe Tags:

Toe tags will be used for model identification. Exhibitors must furnish their own toe tags and insure that their toe tags are **easily legible**. Your model's breed and gender go on one side of the tag. Model's name and your initials go on the other side. Toe tags should be placed with **exhibitor's initials face down** on the show ring tables. Any entry's toe tag placed with exhibitor's initials facing up during showing may disqualify that horse from that class.

Placing Cards:

In addition to a toe tag for I.D., each model must show with a business-sized placing card (2 x 3.5 or 3 x 5 inches) placed beside it. Exhibitors must supply their own cards.

Front of business card must show model's breed and gender. (DO NOT write initials on the FRONT of the card, at risk of disqualification.)

Back of business card must show model's name, and exhibitor's initials.

Business cards are not required for callbacks; just the toe tag is needed.

Placing:

The Judge will collect the business cards for the models they place, with each placing written above the model's name, and will place the cards in the appropriate class envelope. Results will be recorded by exhibitor's initials.

Callbacks:

Intermediaire Division Champions and Reserve Champions will be decided by callbacks. At each judge's discretion, callbacks will be either for just 1st place, or for 1st and 2nd place winners in each division.

INTERSPORT Division Champions and Reserve Champions will be decided by callbacks. At each judge's discretion, callbacks will be either for just 1st place, or for 1st and 2nd place winners in each division.

Other General Rules: Exhibitor selling from your own table is permitted, as space allows.

Courtesy, please – No running in show hall, no smoking, no pets, and turn down your cell phones. Respect your fellow exhibitors and judges by not touching or picking up anyone else's model without prior permission. Please **RESPECT YOUR JUDGES' OPINIONS**, whether or not you agree with their decisions. Kindly remember that your judges will be working very hard for all of you all day long. **At each judge's discretion**, you may ask your judges brief questions between class setups if necessary. Please keep your questions to the point and to a minimum. Remember that the **judges' decisions are final**. Disrespectful, discourteous, or inappropriate behavior toward your judges, your fellow exhibitors,

your show holder or show committee members, or anyone associated with the Pennsylvania National Horse Show (PNHS) may result in your loss of show privileges for the remainder of the show and the forfeiture of your entry fees.

(An “Ambling horse” should not show as a pair with a “trotter”.) English style tack on each equine should closely match, or compliment the tack on the other. Martingales are prohibited. If riders are used, their attire should also either match, or compliment each other. Entries are judged on appropriateness to the class requirements - i.e. – only English tack may be used, their appeal as a “pair”, and neatness and correctness of presentation, according to which English style they are presenting. **Remember – at a NAMHSA-approved model horse show, according to NAMHSA rules, ONLY the horse or pony wearing a toe tag in the English Pairs, Under Saddle Class will be judged.
